Attendance team monitors your student attendance and will send you alerts once you have reached a certain number of absences. Any queries, please contact the attendance team qahe.attendance@qa.com.

The resit outcome means that you have not achieved the pass mark in one or more of your modules. You now have another chance at this assessment. You must complete this work to progress on to your next level/stage of study or to receive the full award.

What does a 'Retake' outcome mean?

The retake outcome means you must take all the learning and assessment activities in the module again. This may incur paying an additional fee to take the module. For any questions regarding additional fees for retake modules, please contact QAHEFinanceSupport@qa.com

Resit and retake module assessment submission must be submitted via the correct links. If you face any difficulty in the process, please contact your module leader.
